

Dear Travel Partner,

We would like to inform you about the modification of the baggage codes.

Starting December 4th, the following codes will be introduced: ABAG, BBAG, CBAG, XBAG, and XBGA, and for Altea models, EXBG and EXBA.

At the same time, the following SSR codes will no longer be in use: PDVA, PDVB, and PDBA.

In connection with the implementation of the new baggage policy, we would like to draw attention to the key rules for calculating baggage charges:

- the price of baggage varies depending on the piece, i.e. whether it is the first, second, or third bag,
- prices are subject to a dynamic pricing mechanism, which is not based on one fixed formula — the amount of the fee depends mainly on criteria such as travel distance and the number of hours/days before departure.

Thank you for your partnership.
