Dear Trade Partner,

Hamad International Airport (DOH) will be undergoing essential enhancements on one of its runways from 13 April to 13 June 2026. This will result in some revised itineraries and schedule changes for your clients, including some earlier departures. Importantly, throughout this period Qatar Airways will continue to operate all points on our network, and we remain committed to preserving operational reliability, maintaining connectivity, and minimizing disruption. All customers with booking changes will be offered re-accommodation options; these will appear in your GDS queues from 19 November 2025.

With over 130 food and beverage venues and 80 retail outlets, Hamad International Airport is recognized as the Best Airport in the Middle East and offers the World's Best Airport Shopping, including the only POP MART store in the Middle East.

During this period, special activations will include relaxation areas, kids' play zones, gaming experiences and art displays, making every

connection through our Skytrax 5-Star airport even more memorable.

As a gesture of goodwill, all customers ticketed as of 18 November 2025, with travel between 13 April and 13 June 2026, will receive an exclusive 20% discount across a wide range of duty-free products including on food and beverages*.
