

## Introducing A350-900 on YYZ-ICN route (KE073/074) & New Preferred Seating Option

We are thrilled to announce a significant enhancement to our **Toronto (YYZ) to Seoul (ICN)** service!

Effective **February 1, 2026**, we will be upgrading the aircraft operating the **KE073/074** route to the state-of-the-art **Airbus A350-900**. This modern aircraft offers superior comfort and an enhanced travel experience for your clients.

---

### Key Service Enhancement Details

- **Route:** Toronto (YYZ) → Seoul (ICN)
- **Flight Numbers:** KE073/074
- **Effective Date:** February 1, 2026
- **Aircraft:** Airbus A350-900

---

### Exclusive Preferred Seating Offer - Extra Legroom!

To provide your customers with even greater comfort, we are introducing a new **Preferred Seating** option available for purchase (EY Paid Seating).

These seats are located in rows **28 through 31** and feature a significantly **more generous seat pitch of 91 cm (36 inches)** compared to standard Economy seats, making the long-haul journey much more comfortable.

- **Seat Location:** Rows 28 - 31
- **Benefit:** Enhanced Legroom (91 cm / 36-inch Seat Pitch)
- **Price:** CAD 150 (One-way)

### Added Benefits for Preferred/Extra Legroom Seats

Clients who purchase these chargeable seats will also enjoy the following exclusive benefits:

- **Priority Checked Baggage Handling:** Equivalent to the service offered to Morning Calm Club members.
- **Economy Class Priority Boarding:** Indicated as Zone 1 on the boarding pass for quick and easy access to the aircraft.

**⚠ Important Note Regarding Sales Restrictions**

Please be advised that the availability of these purchasable seats may be **limited depending on the booking class (fare category)**.

**Please contact your Sales representative for detailed information** on specific booking class restrictions and sales guidelines.
