

## Starlink: Connected at 35,000 ft

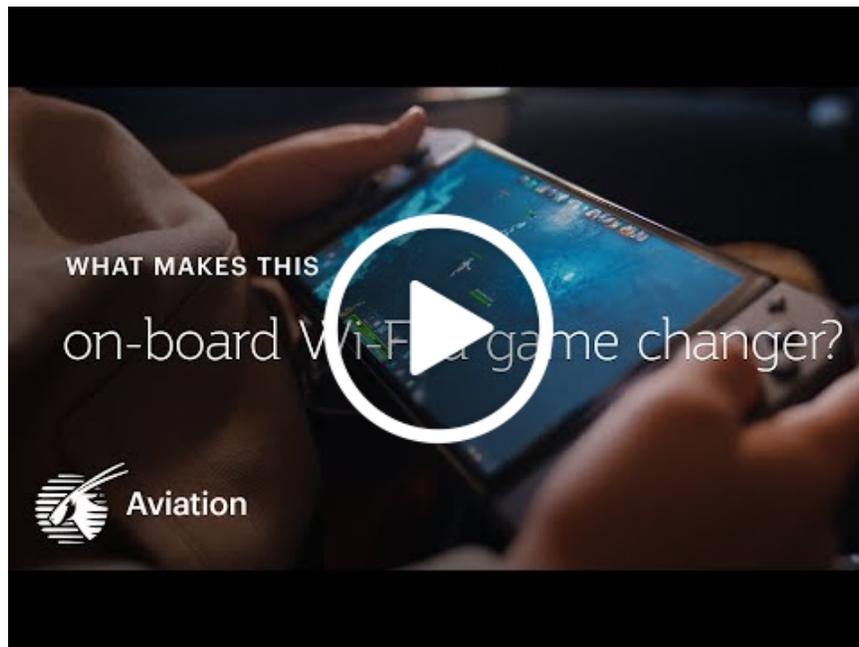

Dear Valued Partners,

We are proud to be the largest global airline and the first in the Middle East to introduce Starlink onboard. Our passengers can now enjoy free, uninterrupted connectivity from gate to gate\*, whether streaming their favorite shows, watching live sports, gaming online, or working efficiently at 35,000 feet.

In just nine months, we equipped our Boeing 777 fleet and we are now installing on our A350 aircrafts.

\*Terms and conditions apply. Starlink technology is available on select aircraft.

Watch the video below to discover why this onboard Wi-Fi is a game-changing innovation.

## Seamless travel with Qatar Airways and RwandAir
