American Airlines centennial celebrations take flight

In 1926, the story of one of the world's most iconic airline brands started with a flight carrying mail from Chicago to St. Louis. And 100 years later, the story of that one flight unfolded into a global aviation leader: American Airlines. While there's much to celebrate in 2026, customers will start to see and be a part of American's celebrations for a milestone of 100 years of flight starting today. [Read more »](#)
