THE NEW SPIRIT OF AFRICA

Dear Travel Partner,

Please be advised that Ethiopian Airlines will suspend nonstop service from Atlanta (ATL) after the February 2 flight. Operations are scheduled to resume in June.

In the interim, passengers may travel conveniently via our other U.S. gateways Washington Dulles (IAD), Chicago (ORD), and New York (JFK) with onward connections across our global network beyond Addis Ababa.

We sincerely appreciate your understanding and continued support. Kindly share this update with your teams and clients.
