

Now Connecting India and Cambodia with our New Interline Partner

Dear Travel Partner,

Air India is pleased to announce a new bilateral interline partnership with Air Cambodia, the national airline of Cambodia. This partnership provides customers flying on Air India with enhanced access to popular Cambodian destinations including Phnom Penh (KTI), Siem Reap (SAI) and Sihanoukville (KOS).

Connections will be supported via Air India's gateways in Hong Kong, Ho Chi Minh City and Bangkok, along with access through Air Cambodia's direct Delhi-Phnom Penh service. The partnership enables smoother travel planning for leisure tourism and business travel between the two nations.

For any more information, contact your Air India Sales Representative.

Warm Regards,
Team Air India
