

Kia ora CCRA INTERNATIONAL GROUP (USA), and welcome to the latest edition of AirNewZ.

This month we're pleased to share a few updates that reflect our continued focus on supporting our corporate customers and partners. From enhancements to our [MICE site](#), to the launch of our fully renovated 787 Dreamliners, and a preview of the new Lookout Lounge at Auckland Airport, these developments are designed to elevate your customers' end-to-end travel experience.

We look forward to continuing to work closely with you and supporting your business with the right tools, insights, and experiences that matter to your customers.

MICE

Air New Zealand's new MICE programme is designed to make enquiries simple and seamless. Supporting conferences, events, incentives and group travel, our dedicated MICE site provides easy access to programme benefits, tools and solutions.
