

Over the years, we have shared something that goes beyond flights.

With the Volare Program, we have built a journey together made up of destinations reached, special moments and points earned.

The Volare program has reached its final destination and will end **on 30 March 2026**.

Until 30 March 2026, your customers can use their non-qualifying Volare points to book flights departing within the next 12 months with ITA Airways and partner airlines through the **Award Ticket** or **Cash&Points** options.

From 1 April to 30 June 2026, they can convert them into a **Voucher (Gift Card Volare)**, which is non-personalised and transferable, and which may be used by 30 June 2026 to purchase tickets of all fare types on www.ita-airways.com to fly with ITA Airways and partner airlines within the following 12 months.

They may also use Volare points until 30 April 2026 to purchase products or services from our **commercial partners** or to support a cause they care about.
