TAP INTRODUCES ECONOMY PRIME

Dear TAP Insider,

TAP Air Portugal is expanding its long-haul offering with the launch of **Economy Prime**, a new cabin between Economy and Business elevating the Economy experience with added comfort and exclusivity, available on both the A330 and A321LR fleets*.

Flights featuring Economy Prime begin June 1, 2026, and are now available to book.

Economy Prime offers a compelling new option for clients seeking enhanced comfort, privacy, and added value including:

- Premium check-in with priority service
- Fast Track through security
- Premium Boarding
- Two checked bags with priority baggage handling
- Empty adjacent seat for added comfort and privacy
- Comfortable pillow and blanket and upgraded headphones
- Premium meals
- Exclusive amenity kit

To explore all the benefits of TAP's new way to travel, we invite you to visit the dedicated page in TAP Agents.

Book your clients' next getaway in **Economy Prime** now!
