Terms and conditions apply

Dear Valued Partners,

We are pleased to announce that it is being offered a free transit package to the Pyramids and Sphinx for passengers transiting through CAI to and from the following points **(YYZ – JFK – IAD – EWR – CGK – BOM – PVG – CAN – HGH – NRT – PEK – DAC – DEL)**. Your assistance is highly appreciated in notifying all eligible passengers of the available free tour.

The passengers travelling from / to the above cities will be eligible to contact the **Karnak office** upon arrival at CAI to request the tour.

Karnak will be responsible for providing the free tour to the passenger to Sphinx and the Pyramids including the visa, transportation, and lunch.

The package needs to be marketed by the travel agents of the referred cities as FREE transit package to enhance the transit traffic on EGYPTAIR flights.

The passenger's ticket should be EGYPTAIR ticket 077 only. The passenger is eligible for **only 1 transit package per ticket** (i.e. the passenger can have the free package only once per the whole ticket even if he has a long transit time in the return).

If the passenger needs to make a different tour, he needs to contact the **Karnak transit desk** to inform him of the difference. Example of eligible flight itinerary:
