

Dear trade partner,

Daily Flights Between Abu Dhabi and Kabul

Etihad Airways is pleased to announce the expansion of its service between **Abu Dhabi and Kabul to daily flights starting 1 May 2026**, following strong demand after the successful launch of the route earlier this year.

Operated by **Airbus A320 aircraft**, the new daily schedule provides greater flexibility and convenience for travellers between the two cities, whether visiting friends and family, conducting business, or connecting onwards through Abu Dhabi's world-class global hub to destinations across the Middle East, Asia, Europe and Africa.

Guests can enjoy the signature comfort and hospitality that **Etihad Airways** is known for, along with access to **exclusive Abu Dhabi discounts** available to travellers holding a valid boarding pass to Abu Dhabi, making every trip more rewarding.

Dear trade partner,
**Etihad Expands Presence in China, Launching
Five New Routes from Abu Dhabi**

Etihad Airways is expanding its network in mainland China, launching **five new routes** and adding **28 weekly flights**, further strengthening our long-standing partnership with China Eastern Airlines.

From Abu Dhabi, Etihad will begin services to **Shanghai, Guangzhou, Chengdu, Hangzhou and Shenzhen**, bringing its operation in mainland China to a total of 35 weekly flights across six key cities, including its **existing daily service to Beijing**. The expansion marks one of Etihad's largest single-market increases in recent years and significantly enhances connectivity between the UAE and China.

Route	Destination	Frequency (weekly)	Launch Date
AUH – PVG	Shanghai Pudong	Daily	1 October 2026
AUH – CAN	Guangzhou	Daily	4 March 2027
AUH – HGH	Hangzhou	5	4 March 2027
AUH – SZX	Shenzhen	5	7 March 2027
AUH – TFU	Chengdu	4	5 March 2027

All flights will be operated by Etihad's Boeing 787-9 Dreamliner, featuring our award-winning Business and Economy cabins and ensuring a consistent, premium experience across our growing China network.

Through a joint venture with China Eastern Airlines, Etihad will provide seamless connectivity across both carriers' networks, offering greater choice and convenience for travellers between the UAE and China. This increased capacity also reflects the deepening economic and cultural ties between the two nations, supporting tourism and trade along one of the world's most important corridors.

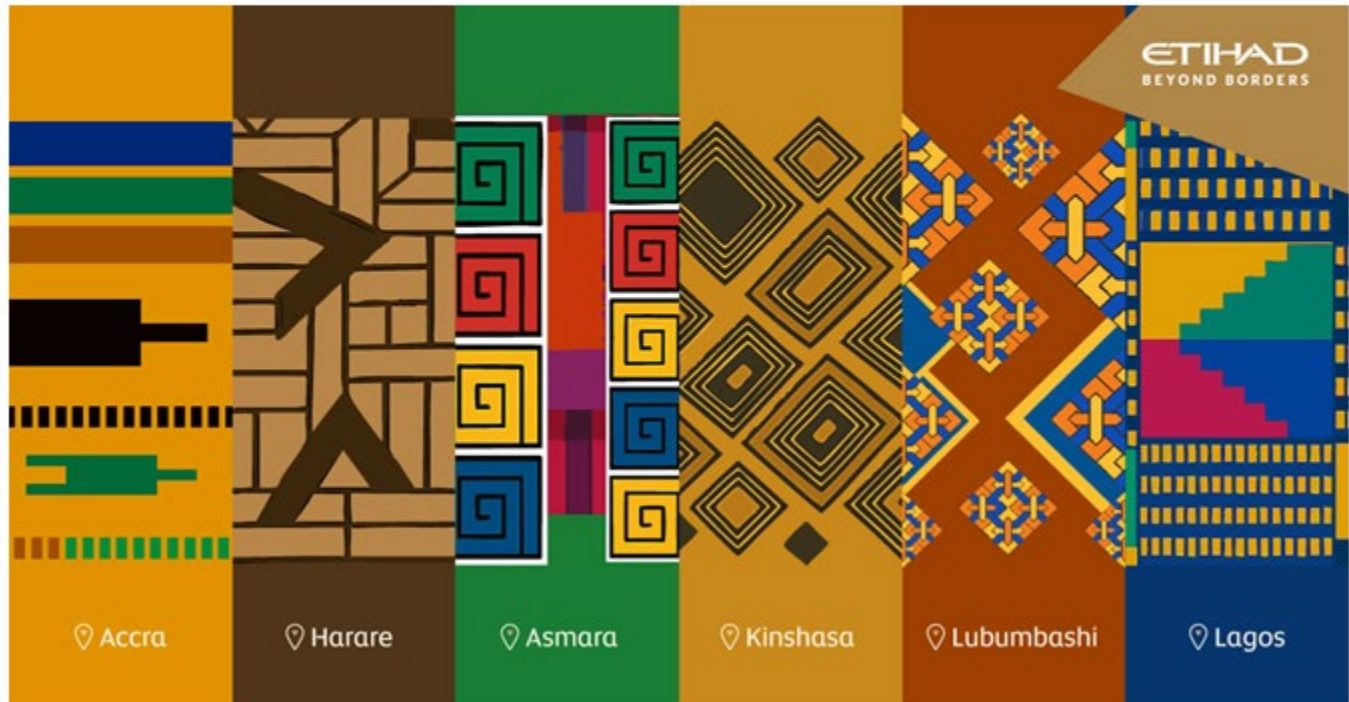

The latest frequencies are now open for booking. For up-to-date schedules and connectivity, check your GDS.

Thank you for your continued support and cooperation. We look forward to welcoming your guests onboard.

Kind regards,
Etihad

Dear trade partner,

Etihad Accelerates Expansion Across Africa

Etihad Airways is significantly increasing the expansion of its Africa network, adding new routes to the Democratic Republic of the Congo, Eritrea, Ghana, Nigeria and Zimbabwe from Abu Dhabi, as part of its continued global growth strategy.

The new routes reinforce Abu Dhabi's position as a key global gateway, strengthening connectivity between Africa, the Middle East and Asia. The expansion also complements Etihad's strategic joint business agreement with Ethiopian Airlines, further enhancing the airline's presence across the continent.

Route	Destination	Frequency (weekly)	Launch date
AUH - ASM	Asmara, Eritrea	4	07 November 2026
AUH – ACC	Accra, Ghana	4	17 March 2027
AUH – FIH	Kinshasa, DR Congo	3	18 March 2027
AUH – LOS	Lagos, Nigeria	7	18 March 2027
AUH – HRE / FBM	Harare, Zimbabwe / Lubumbashi, DR Congo	3	24 March 2027

The latest frequencies are now open for booking. For up-to-date schedules and connectivity, check your GDS.

Thank you for your continued support and cooperation. We look forward to welcoming your guests onboard.
