

Connect on Emirates via United Airlines

Dear Trade Partner,

While Emirates services from **Houston (IAH)** and **Los Angeles (LAX)** remain temporarily paused, we continue to offer reliable and convenient travel options to Dubai and beyond through our partnership with United Airlines.

By combining United Airlines domestic services with Emirates long-haul flights, customers can continue to enjoy the Emirates experience from key U.S. gateway cities, with smooth onward connections across our global network.

Our partnership with United Airlines allows for convenient access to Emirates services, including:

- **Single-ticket itineraries** via emirates.com, GDS, and NDC channels
- **Award-winning Emirates onboard cabin** and services through to Dubai
- **Through-checked baggage** from origin to destination
- **Extensive onward connectivity** beyond Dubai across India, Africa, and Asia

Below are some possible routings that allow customers to connect from Houston or Los Angeles onwards to Emirates flights to and from Dubai via United Airlines:
