Refer a Friend Programme

We appreciate that no one knows better than our students the unique benefits of studying at University Centre at David Game College (UCDG), so we encourage our students to share their experience with a friend.

Students and alumni who refer a friend to study at UCDG will be rewarded, along with their friend, for recommending our programmes!

UCDG offers current UCDG students and alumni a £500 referral reward for each new student they successfully refer to one of our multi-year programmes. The referred student will receive a complimentary laptop to support their studies.

Refer your friend by **filling this form**, then our Admissions and Recruitment Office will support the person with their application
