CB Wi-Fi Call Button

CURVE ECOSYSTEM

Wearable Communication Devices

ABOUT

The Curve Ecosystem is a combination of technologies that work together to enrich the customer experience. Enhancements like Voice Assist and Customer Assist embolden the Digital Hub and WiFi Call Buttons to connect customers directly to staff; the Curve Digital Hub acting as an interface that connects your Wi-Fi Call Buttons to your Curve, DLR and DTR radios via voice alerts. With scalable opportunities like datat analytics, this ecosystem is a tool for educated staffing, efficient operational workflows and real-time loss prevention.
