Akeno *by Bjørn+Balle*

The Akeno pendant light from Danish designers Bjørn + Balle has a sleek and minimalist silhouette that is sensually expressed through details in warm wood and elegant brass. Akeno is the obvious choice to hang above a kitchen island, dining table or desk. With its dimmable light and sleek design, Akeno sets the right mood without dominating the room.

Fuji by Says Who

Fuji, designed by Danish design studio Says Who, finds its perfect balance in the meeting between two classic materials. The soft, organic lines of the wooden top add a natural warmth to the sleek, industrial look of the metal shade. Fuji is ideal above the dining table and casts a pleasant, downward light.

Latika *by Says Who*

Latika, designed by Danish design duo Says Who, is a modern interpretation of the classic shade-on-shade pendant. The slim metal shades with a brushed finish form a geometric silhouette, softening the light for a glare-free glow. The result is a minimalist design with high functionality - ideal for dining areas or rooms where you want a calm and concentrated light. The detachable bottom stem allows you to choose the final look.

Makoto *by Nital Studio*

Makoto is a sleek and minimalist series designed by Danish Nital Studio. The minimalist, vertical silhouette is finished in satin chrome – a warm, brushed chrome finish that adds a subtle softness to the industrial look. The adjustable lamp head provides flexible and directional light, making Makoto ideal for reading and working.
