

Teaching Liam What to Expect First Day of School

Hi! I'm Liam, and I'm getting ready to start school!

What is school?

School is a place where I can learn, play, and make friends.

How do I get there?

I might ride in a car, take the bus, or walk with someone I love.

What will I do there?

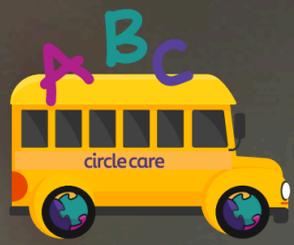

At school, I'll see friendly teachers and other kids.

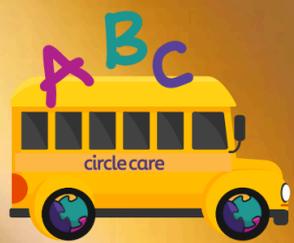

I'll play, read, sing, and go outside.

I'll eat my snack or lunch at a table with my class. Yum!

What if I feel nervous?

That's okay! I can tell my teacher or ask for a break.

School can be fun!

I will try my best, be kind, and have a great time!
