

Anesthesia Opportunity

Northern New York (USA)

University of Vermont Health is seeking an internationally trained Anesthesiologist to join our collaborative, patient-centered team at Champlain Valley Physicians Hospital (CVPH) in Plattsburgh, New York.

This opportunity offers the ability to practice high-quality anesthesia care in a supportive clinical environment while living near the U.S.-Canada border in a region known for its natural beauty, safety, and welcoming communities.

Role Overview

- Provide comprehensive anesthesia care across a broad range of cases
- Work within a collegial, physician-led department
- Practice in a community hospital setting with strong institutional support

Licensure & Eligibility

- Eligible for physician licensure in New York State
- ECFMG certification or ECFMG eligibility required
- J-1 and H-1B visa sponsorship available

Compensation (USD)

- Base salary: \$489,481 USD
- Sign-on bonus: \$25,000-\$50,000 USD
- Additional compensation available for extended hours and call coverage
- Call expectations may be adjusted based on lifestyle preferences

Time Off & Scheduling

- Up to 7 weeks of paid time off annually, inclusive of vacation and leave
- Flexible scheduling options available

Relocation

Relocation assistance available; amount negotiable

Why Northern New York

- Close proximity to Canada and Montreal
- Excellent quality of life with access to outdoor recreation year-round
- Family-friendly communities with strong schools and healthcare infrastructure
