

# AVA'S ADVENTURE

## ETHICAL WOLF

As Ava continues her enchanting journey through the forest, she comes upon a tranquil glade where the moon casts a soft glow upon the earth. There, standing amidst the shadows, is Ethical Wolf, with eyes that gleam with wisdom and compassion.

"Welcome, Ava," greets wolf with a gentle nod. "I am here to guide you on the path of ethical living."

In wolf's paw, there are tools of integrity, intentions, manners, virtues, and values, symbols of ethical conduct and moral character. "Remember," says wolf, "your words become your actions, your actions become your habits, your habits become your values, and your values become your destiny."

With a sense of reverence washing over her, Ava accepts the guidance of the wolf and together they embark on a quest for ethical wisdom. Wolf teaches Ava the importance of integrity, intentions, manners, virtues, and values, empowering her to navigate the complexities of life with grace and honor.

As they journey onward, Ava learns valuable lessons about the power of ethical living to shape her character and influence her destiny. With the wolf's guidance, she discovers the true depth of her moral courage and the profound impact of her words and actions on the world around her.

Hand in paw with her newfound mentor, Ava embraces the journey ahead, eager to unlock the secrets of ethical living and cultivate a life filled with integrity, kindness, and purpose.

# MORAL MASTERY

Explore this month's theme and story text to text, to self, and to world.

**Explore other stories** that teach important lessons, like "The Giving Tree" by Shel Silverstein or "The Boy Who Cried Wolf" from Aesop's Fables. Talk about what the characters learn and how these lessons can help us in real life.

**Encourage your child or student** to think about their own beliefs and values and what helps them make choices. Ask them how they show integrity, kindness, and respect when they interact with others. How can they make sure their words and actions match their important values to make a positive difference in the world?

**Look at real-life examples of people** who act ethically and lead with strong morals. These can include historical figures, community leaders, everyday heroes, and role models. Talk about how these individuals and groups stick to ethical principles and inspire positive changes in their communities and beyond.
