<<ORGANIZATION NAME>> RECEIVES <<\$>> GRANT FROM PETSMART CHARITIES® TO IMPROVE ACCESSIBLE VETERINARY CARE

Month XX, 2023— CITY, STATE – Fifty million pets in the U.S. experience a lack of access to even basic veterinary care. Rising costs and other barriers mean these pets struggle to access services such as spay/neuter procedures, vaccinations and critical medical and preventative care. With as many as 70% of households now including pets, this issue affects families in nearly every community.

PetSmart Charities has committed \$100 million over the next five years toward improving access to veterinary care. The “Accelerator” low-cost veterinary care grant program is a key part of this effort. These grants support the expansion of low-cost veterinary care by funding growth and operations for up to four years for nonprofit clinics looking to expand their services, serve their communities better and inspire other veterinary providers by sharing their experiences.

The grant made to <<organization name>> in the amount of <<\$>> will support the expansion of <<describe details of your program here. >> The anticipated impact on local pets and families includes: <<describe the ways in which the funding will help pets and people thrive. >>

Overwhelmingly, people consider their pets important members of the family. Pets make a significant impact in the health and wellness of the people they love. This grant will enable more families to get the preventative and standard care that ensures their pets thrive at home and stay out of shelters.

“Our veterinary system is in crisis,” said Kate Atema, director of community grants and initiatives at PetSmart Charities. “Rising costs are putting standard veterinary care out of reach for as much as 50% of pet-owning families. We need innovative solutions that make veterinary care affordable for the families in every community who want the best for their four-legged companions but struggle to meet the cost of vet care. We’re inspired by the incredible work <<your organization’s name>> is doing to create solutions that will build strong families and a healthy community.”

<<Optional: Add an impact story and image about a local pet/family you’ve served. Insert how members of the community can find out more information about your basic pet care services>>.
