* February 1 – January 31

- When a new adoption reward threshold is reached, the cashback reward increases.
- Adoption reward are not cumulative.
- When the next funding threshold is reached, Adoption Partners will be paid the difference between the larger reward and the previous threshold reward payment. For example: When an Adoption Partner reaches 50 in-store adoptions, they will advance to Threshold 2 and be paid out \$500. This is the difference between the \$1,000 reward they qualify for and the \$500 they were already paid out for reaching Threshold 1.
- Once an Adoption Partner reaches a new reward threshold, rewards are paid out around the 20th of the following month.
- The maximum adoption reward an organization can receive in the Puerto Rico is \$75,000.
